

Support from Consultant Surgeons

TEMPLATE FORM

This document must be uploaded in the relevant section of your application for Selection to the General Surgical Education and Training (GSET) Program in 2026 for the 2027 Intake.

Applicants must obtain support from four (4) Consultant surgeons. A Consultant is defined as one of the following: a Fellow of the Royal Australasian College of Surgeons employed as a specialist surgeon; or a vocationally trained surgeon employed as a specialist surgeon.

Where all the required information is not included on the template, the applicant will be deemed unsuitable and will not proceed in the selection process.
