TRAINEES' DAY

FRIDAY 08 MAY

MELANOMA & SURGICAL ONCOLOGY

SCIENTIFIC CONVENOR
PROF ALEXANDER VAN AKKOOI FRACS

VIRTUAL |

The image shows two surgeons in a clinical setting, likely an operating room. They are wearing blue scrubs, blue bouffant caps, and white surgical masks. The surgeon on the left is also wearing glasses. They are both looking upwards and to the right, with a focused expression. The background is dark and out of focus, suggesting a sterile environment. The word 'VIRTUAL' is overlaid in large, bold, orange letters, followed by a vertical bar.
