MODBURY HOSPITAL

Fellow or Senior Registrar in General Surgery with broad exposure to elective General Surgery with supervision of SET and service registrars at Modbury Hospital. The position also offers the opportunity to be involved in Acute Surgical Fellow on call within the Northern Adelaide Local Hospital Network.

As a Senior Registrar, you will actively contribute to continuous quality improvement and in continuing education activities. You will develop and establish key performance indicators for all critical activities relevant to area of responsibility in accordance with the quality evaluation program, as well as assist in the identification, establishment and review of corporate and departmental performance standards and outcomes.

The Fellow position is split with the Acute Surgical Fellow at Lyell McEwin Hospital, six-months (6) of each.
