College of Surgeons

Meet your CAPE Requirements for CPD

Cultural Safety Workshop

Celebrate NAIDOC Week with an immersive workshop exploring cultural awareness, inclusion, and professional growth. Join us for morning tea and hear powerful stories from Wurundjeri Elder Ian Hunter. Connect with colleagues and complete your CPD Cultural Safety requirements in an engaging and meaningful session.

This workshop provides surgeons of all specialties an opportunity to satisfy Continuing Professional Development (CPD) and medical registration needs. This event is designed to foster essential learning and development at all stages of your medical career.

We look forward to seeing you there!

Open to Medical Students,
Trainees, Specialist
International Medical
Graduates (SIMGs), and
Fellows.
