TRAINING PROGRAM

GRAMPIANS HEALTH - BALLARAT

Grampians Health Ballarat is seeking to appoint a full-time (38hrs per week) Fellow in General Surgery with a broad base of skills for a fixed term of 12months, commencing 2027.

The successful applicant will have FRACS/GESA and be prepared to work across the range of general surgery. The role will be responsible for an outpatient clinic, operating theatre/endoscopy sessions as well as ward rounds and administrative time as per the demands of the workload. The applicant will be expected to participate in the general surgery oncall and ASU roster. The role will also have a supervisory role over junior surgical staff.

The role will provide excellent exposure to a range of elective and emergency general surgery for a Fellow looking to consolidate their experience.

The successful candidate will form a part of the acute surgical team with 6 consultant surgeons. Sessions outside the acute commitments can be tailored to the candidate's interests. The successful candidate will form part of the on-call and ASU roster and will manage emergency general surgery and trauma in after hours.

LAUNCESTON GENERAL HOSPITAL

The fellowship position offers 12 months of busy clinical load through general, colorectal, hepatobiliary, Upper GI, breast and endocrine surgery with some on call emergency work in a guided and supportive clinical, academic and administrative environment designed to take a recently completed FRACS further along the path of transition from a registrar to a consultant practice.

This will include running of M&M meetings, registrar supervision, rostering and teaching.

The position can also be a step up to specialty training applications subsequently.

Location:	274 – 280 Charles St, Launceston, TAS
No. Fellow Positions:	1
Unit Specialty:	1 x General Surgery
Position Funded:	Yes
Period:	12 months
Position Currently Allocated:	Yes

GENERAL SURGERY
SURGICAL EDUCATION &
TRAINING PROGRAM

ROYAL HOBART HOSPITAL

This role has been established to improve the delivery of General Surgical services to patients and assist in the co-ordination and training of surgical Resident Medical Officers (RMOs) and Registrars. It is ideally suited to a surgeon that has recently been awarded a Fellowship in General Surgery (or will be prior to the commencement of employment). Much of the clinical work in this role involves managing acute / emergency cases as part of the Department of General Surgery's Emergency Surgical Unit (ESU). There is also involvement in outpatient and elective services. The RHH Department of General Surgery offers the major sub-specialty areas (colorectal, UGI, HPB, breast, endocrine) and there would be opportunities for exposure to those fields of interest to the successful candidate. There may also be the opportunity to be involved with other teaching and research activities.

Location:	48 Liverpool St, Hobart TAS
No. Fellow Positions:	1
Unit Specialty:	ASU
Position Funded:	Yes
Period:	12 months
Position Currently Allocated:	Yes
